

Dulwich College (Singapore) Admissions Policy

Admission to Dulwich College (Singapore)

Admission to Dulwich College (Singapore) is determined by a number of factors. Applicants are admitted based on the student's ability to succeed socially and academically in our dynamic learning environment as well as demonstrating a good work ethic, a history of school-appropriate behaviour, and a desire to attend the College. To be successful at Dulwich College (Singapore), students must be willing to work hard and be committed to our programme. Teachers provide the support necessary for students to become confident, independent learners. Additionally, we expect parents to be supportive of and involved in their child's education. It is the student, however, who is responsible for putting forth the effort to meet the school's academic expectations.

Dulwich College (Singapore) expects students and parents to understand and support the school's aim to serve a diverse population. Our students come from a variety of racial, ethnic, cultural and socioeconomic backgrounds. The administration, teachers, students and parents are always working to maintain an environment that is welcoming for all students. Dulwich College (Singapore) is committed to safeguarding and promoting the welfare of children and young people in our school. We expect all staff and volunteers to share this commitment.

The decision to offer a place to a prospective student will be taken by the individual Head of School to which the student has applied. The Head of School will be supported by the Headmaster, the Director of Admissions, Marketing and Communication and the Head of Admissions. Admission is based on academic evaluation and assessment, English proficiency, past school records, teacher recommendations, and any diagnostic testing that will help the Admissions Committee to understand any special learning needs an applicant may have. Year level placement will be determined by the birth date of the applicant and his/her age at 1 September of that academic year.

6. Additional Educational Needs (AEN)

Candidates with Additional Educational Needs (AEN) are accepted to the College on a case-by-case basis. The needs of the child are considered alongside current levels of staffing, expertise and resources within the school. Dulwich College (Singapore) support is tailored to fit the individual student, but in general ranges from individual education plans to supporting the curriculum in the classroom. We teach by withdrawing students individually, in groups or by supporting in class depending on what is the most appropriate method for each student. Sometimes a student's progress is just monitored and reviewed at a later date. The AEN Department works with class teachers in adapting aspects of the curriculum for individual student's needs. We are also able to provide detailed information/teaching strategies about specific conditions. Additional adult support or specialist resources may be considered necessary in order for the school to make adequate educational provision for a student. The additional cost for such will be met by the parents. The College will only admit those students for whom it can make adequate provision of support. The College does not run specific ESL programmes and applicants are expected to have a proficiency in English that allows them to access the curriculum.

7. Overseas Candidates

Arrangements can be made for the entrance assessments to be administered at the candidate's current school. The current school may impose a fee to facilitate the testing and these costs are to be borne by the parent.

8. Singapore Nationality/Singapore Passport Holders

A child is deemed to be a Singapore Citizen if they hold a Singapore passport or is a citizen of Singapore, regardless of whether they hold dual nationality. Singapore Citizens can only submit an application to attend Dulwich College (Singapore) if one or more of the following criteria is valid:

Once the College has agreed to offer the child a place, we will apply to the Ministry of Education for an exemption. Please note that Singapore Citizens can only attend the College once the Ministry of Education has granted the exemption.

For those students who are already enrolled in the College and are above P1 age, no exemption will be required should they become a Singapore Citizen.

Candidate Lists and Waiting Lists

An applicant will be placed on the Candidate List after the initial application has been received (a duly-signed and completed Application Form, all supporting documentation and the Application Fee). Arrangements will then be made for the appropriate assessment to be conducted. Assessments will be conducted no more than 12 months before an applicant's expected enrolment date. Once the Head of School has determined whether the applicant has met the entry requirements for DCSG, the candidate will be offered a place or, when there are no available places, be placed on a Waiting List in the order of date of application. The Waiting List rolls over each year so that the prioritisation of the applicants on the list is maintained. Parents of candidates remaining on the Waiting List may be contacted and asked to submit new supporting documents. Waiting List positions are not disclosed to parents.

Priority on the Waiting List will be given to:

- a child of a full-time faculty member
- a child transferring from another Dulwich College
- a qualified sibling of a current student who has completed the application process
- The child of an Old Alleynian (OA) or International Old Alleynian (IOA)

Parents of successful candidates will receive a formal offer letter by email followed by the Student Contract and invoice. The Application Fee is non-refundable. Students are permitted to re-sit the assessment 6 to 12 months after initial assessment, at the discretion of the Head of School and/or Head of Admissions. The College is not under any obligation to release the results of the assessment tests. Should the candidate wish to withdraw rather than reassess, they are entitled to a refund of the application fee less \$500.
