Our School

Dulwich College Shanghai Pudong educates children from age 2 to 18. Our school serves 1621 students. There are 287 students in Years 10-13 (grades 9-12), 52 of which are in the graduating class of 2019. The primary teaching language of DCSPD is English. Up to age 5, students follow the Early Years Foundation Stage, and from Years 1 to 9, they follow the National Curriculum of England and Wales, which is enhanced to meet the needs of our international student body. In Year 10 they begin the IGCSE (International General Certificate of Secondary Education), a rigorous two-year course that requires students to take a broad range of subjects covering maths and sciences, English and foreign languages, and the humanities. It culminates in exams at the end of Year 11, and prepares students well for the two-year International Baccalaureate Diploma Programme (IBDP) starting in Year 12. Many of our students study an accelerated mathematics programme within the IGCSE. The exam is taken at the end of Year 10 and is noted on the transcript as a Year 11 mark. Students then take Additional Maths which is an extremely rigorous course which culminates in an external exam which is also noted on the transcript as a Year 11 mark.

Singapore
Australia

The Dulwich Network

DCSPD is one of ten international schools in Asia that operate in partnership with Dulwich College in London under the World Charter and together they make up Dulwich College International (DCI). Dulwich College in London inspects DCSPD and each Dulwich international school annually.

Class of 2018 University Destinations

- 50% United Kingdom
- 26% United States
- 13% Europe (non-UK)
- 5% Australia
- 5% Canada
- 1% Other

School Calendar

The school year is 181 days, running from mid-August to mid-June. It is divided into three terms.

Grading

We do not rank our students or calculate grade point averages. For the duration of course work, student progress is internally assessed using pre-established, standards-based performance levels. Courses conclude with externally assessed examinations.

Discipline Policy

Upon request, DCSPD will report all external suspensions and withdrawals that arise as a result of a significant disciplinary incident or personal misconduct.

Co-curricular Activities

Students are offered a rich co-curricular program that build on team and leadership skills. Many of our programs are student-initiated and led. Across the College, there are dance, drama, creative arts, music, sports, robotics, academic societies, language and service groups. Service is a hallmark of Dulwich College Shanghai Pudong and students are actively involved in the local area as well as globally.

Accreditations & Memberships

WASC: Western Association of Schools and Colleges
 CIS: Council of International Schools
 IBO: International Baccalaureate Organization
 NCCT: National Centre for School Curriculum and Textbook Development
 ACAMIS: Association of China and Mongolia International Schools
 FOBISIA: Federation of British International Schools in Asia
 NACAC: National Association of College Admission Counseling

Academic Programmes

IGCSE – Years 10 and 11 (Grades 9 and 10)

Students take up to 11 individual examination subjects in the International General Certificate of Secondary Education (IGCSE) course. It is common for our students to study an accelerated mathematics programme within the IGCSE. The exam is taken at the end of Year 10 and is noted on the transcript as a Year 11 mark.

All our students take Triple Award Science at IGCSE. They study physics, chemistry and biology as separate subjects and are examined in each discipline.

Grades are on a scale of A* to G, with a letter grade of U indicating a failure to meet minimum standards.

IB Diploma Programme - Years 12 and 13 (Grades 11 and 12)

All DCSPD students start the International Baccalaureate Diploma Programme (IBDP) in Year 12 (Grade 11) in preparation for university.

University Matriculations 2015 - 2018

We believe in helping students choose prospective colleges and universities based on "fit". For this reason, students are limited to 10 applications worldwide each academic year.
