

## FEE PROTECTION SCHEME

### Fee Protection Scheme (FPS) under EduTrust Certification

#### Private Education Act

The EduTrust certification scheme is administered by the Council for Private Education (CPE) in Singapore under the Private Education Act of December 2009, to regulate, develop and raise quality standards in the private education sector.

#### What is EduTrust Certification?

Edu Trust is a voluntary certification scheme for private education institutions (PEIs) in Singapore. A private education institution is awarded EduTrust certification if it has achieved the stipulated standards in the areas of:

- Quality management of the school;
- Provision of quality education and support services;
- Protection and welfare of students through fee protection
- Financial health

The implementation of EduTrust helps to distinguish higher quality educational institutions in Singapore's private education industry. Additionally, Private Education Institutions (PEIs) need to be EduTrust certified before being able to offer placement for international students who require Student Passes from the Immigration and Checkpoints Authority (ICA).

The Fee Protection Scheme is one of the two pre-requisites for a PEI to satisfy when applying for EduTrust certification. Please visit the CPE website at <https://www.cpe.gov.sg/> for further details the EduTrust certification scheme.

## What is the Fee Protection Scheme?

The FPS provides full protection to all fees paid by their Students. All fees refer to all monies paid by the Students to be enrolled in a private education institution, excluding the course application fee, confirmation fee, agent commission fee (if applicable), miscellaneous fees (non-compulsory and nonstandard fee paid only when necessary or where applicable, for example, the re-exam fee or charges for credit card payment etc.) and GST.

The Fee Protection Scheme (FPS) serves to protect Students' fees in the event a Private Education Institution is unable to continue operating due to insolvency, and/or regulatory closure.

Dulwich College (Singapore) have therefore put in place the Fee Protection Scheme (FPS) for all Students and will purchase and pay for the FPS Insurance on Students' behalf.
